

A fashion advertisement featuring a woman and a cheetah. The woman, on the right, is wearing a long, flowing dress with a zebra print and a gold clutch. She has dark hair and is looking towards the camera. The cheetah, on the left, is wearing a dress with a leopard print and is looking towards the camera. The background is a collage of organic animal prints: zebra stripes on the left, a cheetah's face in the top center, and a leopard print on the right. A small table with a vase of white flowers is visible in the background. The text "ORGANIC ANIMAL PRINT" is overlaid on the left side, and "T1 / SS23" is in the bottom right corner.
