

# TINTAS PLANAS ORGÁNICAS

A fashion advertisement featuring a model in a patterned dress against a background of large, stylized organic shapes and colors. The model is wearing a black dress with orange and white geometric patterns. The background consists of large, flat, organic shapes in shades of blue, orange, and brown, creating a modern, artistic look.

## #StencilledBlooms

- Balance multicoloured prints with **#StencilledBlooms**. Take a more sustainable approach through use of single-colour prints and jacquard designs
- Explore techniques such as block printing, being sure to work with artisans with fair working conditions and pay, plus GOTs approved prints supported by the [Fair Wear Foundation](#)
- Replace plastisol blacks with soy alternatives or innovations such as US Living Ink made from renewable algae cells
- Use **#StatementFlorals** in off-kilter placements for a graphic update on shirting and everyday tees
